R N R Virtue is a UAE based company engaged in Investment Management, Business Management Consultancy and IT consultancy services.

RNR VIRTUE INVESTMENT MANAGEMENT

R N R Virtue work with governments, business organizations and private companies to promote business and investment opportunities in their economies.

The Company is best known for its' flagship 'Business Advantage' series, high-quality international business and investment guidelines that promote economies across the world.

No matter what type of investor or venture partner you are trying to reach, and no matter where they are in the world, we aim to be your partner in trade and investment promotion. We also engage in

managing private portfolios and equity which allows you to expand your horizons in investment and business.

R N R Virtue serves as a coordinating body and the Company involves answering foreign or local inquiries concerning government investment incentives, costs, referrals to the appropriate authorities. The latter involves the establishment of direct relations between the concerned countries and large foreign corporations, which will lead to investments or cooperative relationships.

Using a proven model for other geographies RNR Virtue has identified a gap in the market to form a high valued investor platform to finance potential investments in Asia, the Middle East and African markets.

RNR Virtue have direct links to the Investors looking for opportunity to invest in and mentor such high potential Projects and Corporate s.
